

SAD SONGS SAY SO MUCH by Elton John & Bernie Taupin

VERSE 1:

G C
Guess there are times when we all need to share a little pain
D
And ironing out the rough spots
G
Is the hardest part when memories remain
G C
And it's times like these when we all need to hear the radio
D
`Cause from the lips of some old singer
G
We can share the troubles we already know

CHORUS:

G
Turn them on, turn them on
C
Turn on those sad songs
D
When all hope is gone
G
Why don't you tune in and turn them on
G
They reach into your room ohh ohhh
C
Just feel their gentle touch
D
When all hope is gone
G
Sad songs say so much

VERSE 2:

G C
If someone else is suffering enough oh to write it down
D
When every single word makes sense
G
Then it's easier to have those songs around
G C
The kick inside is in the line that finally gets to you
D
And it feels so good to hurt so bad
G
And suffer just enough to sing the blues

CHORUS
