"PLEASE NOTE! Some of these chord charts have been updated to work with the YouTube videos. Please use these new charts rather than ones we may have given you before."

Find the chord sheets & all links here:

www.miltonartsproject.com/worksheets

Here's last week's E minor pentatonic scale again. Once you feel like you can play it (even if it's only slowly!) try playing it along with this song: www.youtube.com/watch?v=vUSzL2leaFM

E MINOR PENTATONIC SCALE

Play the notes up and down, then try and play them in different combinations. Don't worry if you make mistakes! Also, all the guitar instruction videos we've shown you so far can be found here: www.youtube.com/playlist?list=PLVvZf2W6qkHJX3UWIOtJkaqV3F3_255EI

The Blues Corner: Vigilante Man (open tuning)

Duncan takes us through Vigilante Man with an open guitar tuning.

Video and chord sheet are here: www.miltonartsproject.com/2020/04/09/vigilante-man-open-tuning-instruction-video/

Weekly Poetry (Lunes – 3/5/3)

We have been working on a type of poetry that uses a structure where you just write 3 lines.

It's simple, 3 words on the 1st line, 5 words on the 2nd line, 3 words on the 3rd line. That's it!

See how you go and you can maybe share them on a weekly basis. **Example:**

What will happen, When the grey sky turns, Like a dancer

And finally, here's Bon Scott and the rest of AC/DC ripping into Let There Be Rock at the Glasgow Apollo in April 1978: www.youtube.com/watch?v=s3nEAmt5AZ8

Best wishes, until next week.....Iain & Andrew
