Today, in 'Light My Fire' Andrew is playing a Dsus4 chord along with the regular D chord. Here's a short video explaining how to play the Dsus4 chord. All you have to do is add on your pinky to the D! Try experimenting with it in Light My Fire:

### Weekly Poetry (Lunes – 3/5/3)

We have been working on a type of poetry that uses a structure where you just write 3 lines.

It's simple, 3 words on the 1<sup>st</sup> line, 5 words on the 2<sup>nd</sup> line, 3 words on the 3<sup>rd</sup> line. That's it!

See how you go and you can maybe share them on a weekly basis. Example:

What will happen, When the grey sky turns, Like a dancer

**And finally**, here are a couple of things for watching and listening to:
