

Dolly (response to Jolene) by Elizabeth Kearney

CHORUS 1: Am C G Am
Dolly, Dolly, Dolly, Dolly
G Am
Don't take my man is what I hear you cry
Am C G Am
Dolly, Dolly, Dolly, Dolly
G Em Am
I couldn't take him even if I tried

VERSE 1: Am C
My beauty may be beyond compare
G Am
But in the morning he's not there
G Em Am
He's left my arms and now he lies with you
Am C
My flaming hair and Emerald eyes
G Am
Don't keep him all that satisfied
G Em Am
For every night, he returns to you

VERSE 2: Am C
I know that he was never mine
G Am
He's only here on borrowed time
G Em Am
I lie in bed wishing I was you
Am C
You say you can't compete with me
G Am
But the opposite is true you see
G Em Am
Deep down I know his heart belongs to you

CHORUS

VERSE 3: Am C
I could have any man, you taunt
G Am
But he's the only one I want
G Em Am
For me to have him all depends on you
Am C
If it comes he had to choose
G Am
I know for sure that I would lose
G Em Am
And I can't afford to risk him choosing you... **CHORUS 1**

CHORUS 2: Dolly, Dolly, Dolly, Dolly
Please don't worry; I'll never take your man
Dolly, Dolly, Dolly, Dolly
But I'll hold onto him for as long as I can
