

## I'M A BELIEVER by NEIL DIAMOND

**VERSE 1:**           G                   D           G  
I thought love was only true in fairy tales  
                                  D                   G  
Meant for someone else but not for me  
C                   G  
Love was out to get me  
C                   G  
That's the way it seemed  
C                   G                   D  
Disappointment haunted all my dreams

**CHORUS:**                   G   C   G  
Then I saw her face  
          C    G   C   G  
Now I'm a believer!  
C   G   C   G  
Not a trace  
          C           G   C   G  
Of doubt in my mind  
C   G            C  
I'm in love (oooooh)  
          G  
I'm a believer  
          F           D  
I couldn't leave her if I tried

**VERSE 2:**           G                   D           G  
I thought love was more or less a giving thing  
                                  D                   G  
Seems the more I gave, the less I got  
C                   G  
What's the use in tryin'?  
C                   G  
All you get is pain  
C                   G                   D  
When I needed sunshine, I got rain

**CHORUS x 2**
