

## KNOCKIN' ON HEAVEN'S DOOR by Bob Dylan

**VERSE 1:**      **G**      **D**                      **Am**  
Mama take this badge off of me  
                 **G**      **D**              **C**  
I can't use it anymore  
                 **G**                      **D**                      **Am**  
It's getting dark, too dark for me to see  
                 **G**                      **D**                      **C**  
I feel like I'm knockin' on heaven's door

**CHORUS:**      **G**                      **D**                      **Am**  
Knock, knock, knockin' on heaven's door  
                 **G**                      **D**                      **C**  
Knock, knock, knockin' on heaven's door  
                 **G**                      **D**                      **Am**  
Knock, knock, knockin' on heaven's door  
                 **G**                      **D**                      **C**  
Knock, knock, knockin' on heaven's door

**VERSE 2:**      **G**      **D**                      **Am**  
Mama put my guns in the ground  
                 **G**      **D**                      **C**  
I can't shoot them anymore  
                 **G**                      **D**                      **Am**  
That long black cloud is comin' down  
                 **G**                      **D**                      **C**  
I feel like I'm knockin' on heaven's door

**CHORUS**
