In 'Eve of Destruction' we use the chord **B minor**. This may be one some of you have avoided up until now (and who could blame you?!) but here's a wee video which might help you to play it: **www.youtube.com/watch?v=suJnbc2TERU**

Weekly Poetry (Lunes – 3/5/3)

We have been working on a type of poetry that uses a structure where you just write 3 lines.

It's simple, 3 words on the 1st line, 5 words on the 2nd line, 3 words on the 3rd line. That's it!

See how you go and you can maybe share them on a weekly basis. Example:

What will happen, When the grey sky turns, Like a dancer

And finally, here are a couple of things for watching and listening to:

Take a half hour out to listen to some brilliant 1970's Japanese Jazz.
