In 'The Way That It Goes' we change from **Em to B7** throughout the verse. If this is something you're still struggling with then here's a video which might help:

Weekly Poetry (Lunes – 3/5/3)

We have been working on a type of poetry that uses a structure where you just write 3 lines.

It's simple, 3 words on the 1st line, 5 words on the 2nd line, 3 words on the 3rd line. That's it!

See how you go and you can maybe share them on a weekly basis. Example:

What will happen, When the grey sky turns, Like a dancer

And finally, 3 things:

Captain Beefheart, documentary.
