

## STAND BY ME by Ben E. King, Jerry Leiber & Mike Stoller

**VERSE 1:**                   **G**  
When the night has come  
                  **Em**  
... And the land is dark  
                  **C**                   **D**                   **G**  
And the moon is the only light we'll see  
                  **G**  
No I won't be afraid  
                  **Em**  
No I won't be afraid  
                  **C**                   **D**                   **G**  
Just as long as you stand, stand by me  
                  **G**  
So darling, darling

**CHORUS:**                   **G**                   **Em**  
Stand by me, oh stand by me  
                  **C**                   **D**                   **G**  
Oh stand, stand by me, stand by me

**VERSE 2:**                   **G**  
If the sky that we look upon  
                  **Em**  
... Should tumble and fall  
                  **C**                   **D**                   **G**  
Or the mountain should crumble to the sea  
                  **G**  
I won't cry, I won't cry  
                  **Em**  
No I won't shed a tear  
                  **C**                   **D**                   **G**  
Just as long as you stand, stand by me  
                  **G**  
So darling, darling

**CHORUS x 2**
