

## SWEET CAROLINE by Neil Diamond

**VERSE 1:**       C                   F  
Where it began, I can't begin to knowing  
C                                   G  
But then I know it's growing strong  
C                                   F  
Was in the spring, then spring became the summer  
C                                   G  
Who'd have believed you'd come along?

**PRE-CH:**       C       Am  
Hands, touching hands  
G                                   F                   G  
Reaching out, touching me, touching you

**CHORUS:**       C           F  
Sweet Caroline,  
  G  
Good times never seemed so good  
C       F  
I m in-clined,  
  G  
to believe they never would  
  
F   Em   Dm  
But now I

**VERSE 2:**       C                   F  
Look at the night, and it don't seem so lonely  
C                                   G  
We fill it up with only two  
C                                   F  
And when I hurt, hurting runs off my shoulder  
C                                   G  
How can I hurt when holding you?

**PRE-CH:**       C       Am  
Warm, touching warm  
G                                   F                   G  
Reaching out, touching me, touching you

**CHORUS 2:**    C           F  
Sweet Caroline,  
  G  
Good times never seemed so good  
C       F  
I m in-clined,  
  G  
to believe they never would... **REPEAT CHORUS 2**
