

TAKE THE SKINHEADS BOWLING (CAMPER VAN BEETHOVEN)

VERSE 1:

C **Fmaj7** **C** **Fmaj7**
Every day I get up and pray to Jah

C **Fmaj7** **C** **Fmaj7**
And he increases the number of clocks by exactly one

C **Fmaj7** **C** **Fmaj7**
Everybody's coming home for lunch these days

C **Fmaj7** **C** **Fmaj7**
Last night there were skinheads on my lawn

CHORUS:

G **F** **C**
Take the skinheads bowling, take them bowling (x2)

VERSE 2:

C **Fmaj7** **C** **Fmaj7**
Some people say that bowling alleys got big lanes (got big lanes, got big lanes)

C **Fmaj7** **C** **Fmaj7**
Some people say that bowling alleys all look the same (look the same, look the same)

C **Fmaj7** **C** **Fmaj7**
There's not a line that goes here that rhymes with anything (anything, anything)

C **Fmaj7** **C** **Fmaj7**
Had a dream last night but I forget what it was (what it was, what it was)

CHORUS

VERSE 3:

C **Fmaj7** **C** **Fmaj7**
Had a dream last night about you my friend

C **Fmaj7** **C** **Fmaj7**
Had a dream, I wanted to sleep next to plastic

C **Fmaj7** **C** **Fmaj7**
Had a dream, I wanted to lick your knees

C **Fmaj7** **C** **Fmaj7**
Had a dream, it was about nothing

CHORUS (x2)
